DESIGN

Creatividad al servicio de la escultura contemporánea.

Creaciones que atraen la mirada hacia la escultura actual en porcelana. Propuestas atrevidas e innovadoras, con decoraciones sorprendentes, que ponen el acento en diseños que han venido para quedarse.

La búsqueda incansable, la necesidad creativa de romper fronteras y de encontrar nuevos caminos estéticos conduce a creaciones únicas que requieren un tratamiento diferente y una experimentación exhaustiva.

Creativity and experimentation at the service of contemporary sculpture.

Creations that attract the eye to current porcelain sculpture. Bold and innovative proposals with surprising decorations that put the accent on designs that are here to stay.

A tireless quest, the creative need to break down boundaries and to search for new aesthetic paths leads to unique creations requiring a different treatment and exhaustive experimentation.

Cada una de estas creaciones Lladró ha sido elaborada a mano siguiendo un proceso enteramente artesanal que la hace única e irrepetible, por lo que puede mostrar pequeñas diferencias con el resto de piezas de su serie. Las imágenes de las piezas pueden variar ligeramente con respecto a los modelos originales.

Each one of these Lladró creations is handmade following an entirely artisan process that makes it unique and unrepeatable, so there may be minor differences with the other pieces in its series. The pictures of the pieces may vary slightly from the original models.
