SPIGOLO WALL/CEILING

Studiocharlie

Floor, wall/ceiling, pendant and table lamps based on an extruded and tubular aluminum structure connected with molded ABS joints. In white or black painted finish and polycarbonate opaline diffuser. The joints enable the profiles to house LED sources which can be rotated 360 degrees to produce direct or indirect lighting. The floor version is designed to provide a virtual divider of ambience, while the wall/ceiling versions provide a versatile and comfortable ambience.

LED sources are dimmable with a warm tone.
