“Use the large pendant as a centerpiece over the dining table. Or get a small pendant and suspend it in the window or above a side table. This is common in Sweden where light is scarce in the winter time and small light sources will help to create a cozy ambience.”

design by
Jonas Wagell (JWDA)

A G O

ALLEY is a simple versatile modern lamp. Soft shine from the glass globes will light up above the table to bring cozy ambience. ALLEY comes with two different sizes in various orientations; pendant lamp, wall lamp, tilted table lamp, and still table lamp, to fit in many spaces.
