Description

Japanese-inspired single or multiple suspension lamp, all of them created around a disc that houses the light source (E27). This disc is available in a walnut or painted matte black finish, which supports the textured blown-glass diffuser that comes in an opal matte white finish. The single-unit suspension lamps have one glass diffuser and are available in three sizes (S15, S25 and S35). The multiple-unit lamps allow for different configurations, since the customer can choose to set them up with two glass diffusers (S2 Glass) or three (S3 Glass). Black textile cable.
