SPEERS ARM W

By David Abad

Description:

Collection of ceiling or wall lamps made of aluminum and a high-luminance LED light source. It includes a glass lens that concentrates light and provides greater light output. Available in full white or textured matte black finishes. The wall version allows the installation of 1 or 2 arms of different lengths, in addition to combining with two different size shades. The ceiling version has two arms and is available with two different size shades. Regulation by phase cut.
