

# PRODUCT LIST

**Name** MONA XL PENDENT

**Type** pendent lamp

**ID** PC1030

**Description** The Mona collection is based on the concept of penetrating forms. The light source boldly traverses the ample volume of smooth handblown glass to reveal the thrilling tension inherent in the design. The collection's essence, however, lies in its unconventional construction and refined combination of materials. It also boasts dimmable tubular LED light sources, developed by Brokis, each with a different colour temperature. The Mona collection includes floor, suspension, wall, and table lights as well as a new XL size. Specially developed for the luxury Italian furniture brand Poltrona Frau and introduced at Salone del Mobile Milano 2017, the Mona XL is now a standard item in the Mona collection available for purchase through the Brokis Sales Network.
