HANDLING INSTRUCTIONS

FOR YOUR CONVENIENCE

Please use gloves provided for handling and installation of the light fixture. This will reduce finger prints and scratches, and keep your light shining.

GOLD, SILVER, COPPER AND SMOKE PLATED COLLECTION

This product is made with the highest quality materials. The product has passed through three quality assurance tests.

The silver, gold, copper and smoke plating is achieved through a special process. Pin holes up to 1mm in diameter may appear in the metallization. This is acceptable and is a normal result of the metallization process.

Light bulb replacement

See the assembly installation manual.

TO PROTECT THE ENVIRONMENT AND CONSERVE ENERGY, PLEASE USE ENERGY EFFICIENT BULBS OR LED BULBS.

CLEANING AND MAINTENANCE VERY IMPORTANT

Do not use any products with ammonia or abrasive cloths as marks and scratches will occur.

Use only polishing liquids for polycarbonate materials. Apply this product with a non-abrasive cloth, preferably microfiber. Follow the product instructions for exterior and interior polishing.

Always use these procedures for cleaning.

VISO WILL NOT ASSUME ANY CLAIM OR COMPLAINT CAUSED BY THE MISUSE OF THIS LAMP. ALTERATION OF ANY ELECTRICAL CABLE OR COMPONENT WILL RENDER THE WARRANTY VOID.

Keep this manual for future reference.

Thank you for choosing VISO products.

All products are manufactured to meet or exceed North American standards C22.-250, UL 1598, C22.2-12, C22.2.9, UL 153.
