SAFETY WARNINGS

Installation should only be undertaken by a qualified electrical engineer. If using the connector block provided this will need to be inserted into the wall void. To remove the outer backplate, simply unscrew and detach flat plate from wall bracket.

The light source contained in this luminaire is integrated and shall only be replaced by the manufacturer or his service agent or a similar qualified person.

TECHNICAL INFORMATION

Cobra Wall - Integrated LED Source,
Philips chip, chip life 40,000 hours
3W, 160lm, 3000K, CRI (Ra) 80
Beam Angle 160°

Universal Driver, 1.2 mA USB Charger,
touch ON/OFF Switch
