

Cé Series

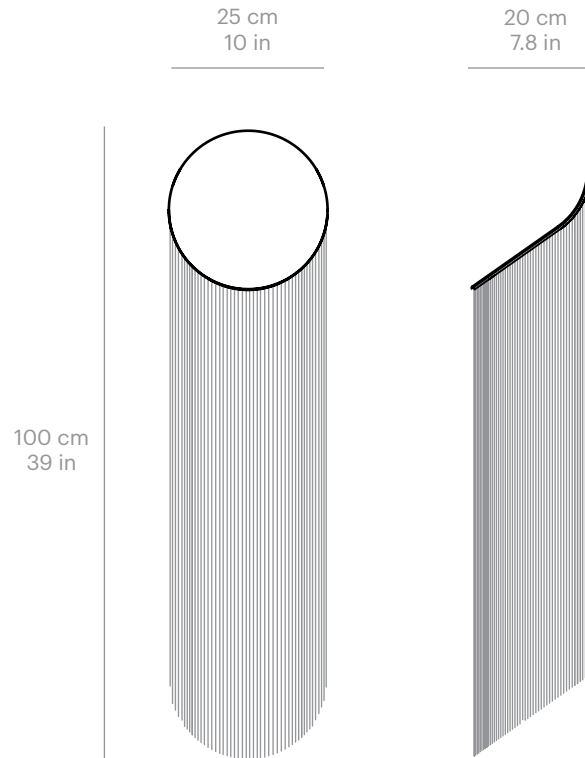

Cé Wall

Cé audaciously blends fringes and solid bronze revealing a well-rounded wall mounted fixture. The unique movement of the fringes brings a fluid effect, distinguishing this piece from previous collections, all the while remaining faithful to the minimalist look of candid lines present in each of d'Armes creations. By dimming the light, the fringes create a plush atmosphere. Cé jostles the obvious association between fringes and lighting by unveiling a classic revisited.

Lamping Specifications

Input voltage : 120V or 220-240V
Power input : 20.5W
Technology : AC LED dimmable
CRI : >90
CCT : 3000K (Warm white)
Lumen source : 1600 lm

Product weight

4.1 kg / 9 lbs

Construction

Rayon fringes offered in different colors *
Bronze wall plate and face
Brushed and painted aluminum heatsink
**Custom lenght available upon request*

Certifications

IP20  

Materials

Face and wall plate :
 Natural polished bronze
 Chrome plated
 Black oxydized bronze
 Custom

Fringes :
 Verdigris
 Natural white
 Tender pink
