IC Lights T1 Low

Designed by Michael Anastassiades, 2014

Halogen - 75W

Like the other pieces in his IC Light Series, the IC Lights table balances designer Michael Anastassiades' love of industrial simplicity with intricate symbolism. It provides diffused light through a mouth blown opaline sphere, which is held up by a brass-plated steel, black or chrome frame. There is a dimmer on the power cord. IC Lights table lamp comes in two models in brass or gold finish. Discover the complete IC Lights collection here. Inspiration behind the design: Poise is powerful: That's the message Michael Anastassiades offers with his IC Light Series. From the skillful balance of the sphere and baton that invokes thoughts of a dexterous juggler's act to the lamp's name-IC, a reference to the identity code used to evaluate immigrants entering the UK-the designer makes a commanding statement.

Mounting instructions PDF

Main specifications

EAN	8059607011171
Mounting	Table
Environments	Indoor dry location
Light Source Type	Bulb
Light sources included	No
Lamp category	Halogen
Lamp type	T4
Lamp holders	G9
Number of lamps	1
Power (W)	75

Physical

Color	Chrome
Length (in)	7.87
Cord color	Black
Net weight (lb)	3.09
Package volume (in)	2307.26
IP internal	20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.

IP	IK
20	07

Photometric

Lighting type	Total
Light distribution	Asymmetric
Extreme cut off	No

Electrical

Insulation class	II
Frequency (Hz)	60
Main voltage (Vac)	120
Dimmable	Yes
Dimming interface	Dimmer Integrated
Plug type	Type A
Batteries inside	No
