FU378002 Orange

Mayday

Designed by Konstantin Grcic, 2000

Incandescent - 60W

A versatile, contemporary table lamp from designer Konstantin Grcic, May Day is a brilliant blend of utility and sophistication. It features an injection-molded, tapered opaline polypropylene diffuser. May Day hook/handle also acts as a cord-winder, and is made of 10% talc-filled injection-molded polypropylene. On/off switch on the handle. Limited Edition: Designer Konstantin Grcic revisits the Mayday, his first-ever design for Flos, with a special 20th anniversary limited edition featuring a sleek, die-cast aluminum handle. Each handle has engraved the exclusive and unique progressive serial number for each piece plus the designer's signature. The incision was made by traditional handcrafted mechanical punching. Limited quantities available, while supplies last. Inspiration Behind the Design: Designed in 2000, Konstantin Grcic offers a lamp that is the height of functionality, but doesn't skimp on beauty. He created this conical light to go anywhere it is needed-whether that means it's displayed prominently or illuminates a utility closet. "It was a lamp I wanted to have for myself-a lamp that I felt should be something like a tool. A tool is an object that fulfills a function-a very concrete function-and normally its form explains the function. That's what makes a tool so beautiful." - Grcic Note: LED light bulb is not included with purchase. Sold separately.

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.

Main specifications

EAN	8059607029145
Mounting	Suspension
Environments	Indoor dry location
Light Source Type	Bulb
Light sources included	No
Lamp category	Incandescent
Lamp type	A
Lamp holders	E26
Number of lamps	1
Power (W)	60

Physical

Color	Orange
Length (in)	8.66
Cord color	Black
Cord length (in)	190.945
Net weight (lb)	1.65
Package height (in)	21.65
Package width (in)	8.86
Package length (in)	8.86
Package volume (in)	1699.15
IP internal	20

IP	IK
20	00

Photometric

Light distribution	Symmetric
Extreme cut off	No

Electrical

Insulation class	II
Frequency (Hz)	60
Main voltage (Vac)	120
Dimmable	Yes
Dimming interface	Switch Integrated (Remote Dimmable)
Plug type	Type A
Batteries inside	No
