Tatou Suspension 2

Designed by Patricia Urquiola, 2012

Halogen - 150W

Part of the Tatou family, Tatou S is an exceptional style gets its name from the French for "armadillo," a tribute to the unassuming animal whose brilliant structure keeps it protected and makes it unique. Like the other pieces in this collection, designer Patricia Urquiola conceptualized this pendant lamp to play on the filtration of light, with remarkable results. The Tatou suspension lamp offers diffused light and has an exterior diffuser in PC (polycarbonate). Its internal diffuser is injection-printed opal PC. The socket accommodates either a compact fluorescent or a halogen lamp bulb. Inspiration behind the design: "The process began by looking for different ways to reconstruct membranes, conceived like Japanese armor: a series of metal buckles cleverly united by tapes with a powerful emotional value," explains designer Patricia Urquiola. "The word 'tatou' has an emotional sound to it, which I think is consistent with the emotional function of this object."

Mounting instructions PDF

Main specifications

Mounting	Suspension
Environments	Indoor dry location
Light Source Type	Bulb
Light sources included	No
Lamp category	Halogen
Lamp type	T Shielded
Lamp holders	E26
Number of lamps	1
Power (W)	150

Physical

Color	Ochre-Grey
Length (in)	19.68
Cord color	Clear
Cord length (in)	98.425
Canopy color	Ochre-Grey
Canopy lenght/diameter (in)	5.748
Canopy height (in)	1.417
Net weight (lb)	10.36
Package volume (in)	10284.43
IP internal	20

In our constantly evolving world and business, technical upgrades happen every day. This means all product specifications and data are subject to change without warning in order t improve reliability, function, performance or otherwise. We make every effort to ensure the accuracy of our product images, however due to different lighting and screens used for viewing, the colours may vary. Images are indicative of the quality and style of the product but may not represent the precise details of the product you receive. This is because we are constantly working to make improvements. For aesthetic reasons, cables and/or electrical elements are often not shown. Refer to technical data sheets for all technical data. Images and colours are not part of any contract or warranty in any way.

GWT 850°

IP 20

Photometric

Lighting type	Indirect, Direct
Light distribution	Symmetric
Extreme cut off	No

Electrical

Insulation class	I
Frequency (Hz)	60
Main voltage (Vac)	120
Dimmable	Yes
Dimming interface	Remote Dimmable (Dimmer Not Included)
Batteries inside	No
