**FINISH** > Black or White Powder Coated Metal  
**BASE** > Marble base

Form meets function in the forward-thinking Tandem lighting collection, which combines streamlined industrial aesthetics with a practical ethos, resulting in a simple yet stunning design. A white or black powder-coated finish shines when teamed with thoughtful details, like a coordinating marble base and convenient foot switch. Adjustable lamp heads, allow you to easily spotlight a favorite piece of art or illuminate a dark corner in your living room.
