Koncept was born in 2002 when industrial designer Peter Ng and his two sons, Kenneth Ng and Edmund Ng, joined forces in order to harness years of manufacturing and industrial design experience.

The Koncept team has since designed a range of products for retail and contract markets. Their lines of pendants, desk lamps, floor lamps, wall sconces and more have significantly influenced the LED lighting industry. Their works have been featured in major press such as TIME Magazine, Oprah Magazine, and Interior Design Magazine. Koncept has earned over 50 international design awards to date, including the Red Dot Design Award, iF Design Award and Good Design Award.

Embracing modern, minimalist lines while maintaining rich functionalities, Koncept's designs strike the perfect balance between form and function.

tangerine

In early 2018, Koncept established its very first charitable program. Tangerine's mission is to raise awareness and funds for Appendix Cancer research. Appendix Cancer is a relatively rare disease. Because of this, there is a shortage of resources for treatment in the US.

The Hillman Cancer Center at the University of Pittsburgh Medical Center contains the only site that has a comprehensive Appendix Cancer research and treatment program. Dr. Mohammed Haroon Asif Choudry, surgical oncologist at UPMC Hillman Cancer Center, and an associate professor of surgical oncology, leads this research. Koncept is donating 5% of every orange lamp sold* directly to Dr. Choudry's research. These efforts are in honor of team member Tony Quach, who passed away from this disease in October 2017.

Tony Quach started working at Koncept in October 2009 as a Warehouse Associate. With hard work, great spirit and dedication, Tony was promoted to Warehouse Manager. In March 2016, Tony was diagnosed with Appendix Cancer. Even after multiple surgeries and rounds of chemotherapy, this aggressive form of cancer spread rapidly to other organs. Tony passed away peacefully at home, surrounded by his loved ones, on October 25, 2017. He was just 31 years old.

To celebrate our 20th anniversary, Koncept is delighted to unveil the Gen4 Z-Bar Pro 20th Anniversary Limited Edition. This exclusive Z-Bar Pro boasts a distinctive high-end brushed aluminum premium finish, setting it apart. It encompasses all the advanced features of our Pro line, including light color tuning, a USB-C charger, and an occupancy sensor. Moreover, it features a unique 20th-anniversary mark intricately engraved on the back of the lamp, symbolizing a momentous milestone in our journey.

20th
