

Lenis, brushed aluminum

Bret, Dan and I have always loved the ocean and boats. In fact, the first project we built together as young boys was a sailboat. Our appreciation for the beauty of a well-designed craft is what initially inspired the Lenis fixture; the form is created by bending wood stringers over a series of bulkheads. The organic and sculptural structure deviates from our mostly rectilinear forms, which introduced many new challenges, yet it also breathed new life into the design process for us. Ultimately, we were searching for that balance between the curved fluidity of its lines and the twisting movement. Thanks to our team's determination, after countless studies and prototypes, we found the balance we were looking for.

Nick Sheridan,  
Designer

## Lenis linear pendant

Dimensions: 5'-4.5" x 10", 8.75"  
 Materials: aluminum, stretch fabric  
 Product weight: 10 lb  
 Light source: integrated LED  
 Light output: 5000 Lumens (source)  
 Light color: 2700 K or 3500 K  
 Color accuracy: 90+ CRI  
 Power usage: 70 W  
 Dimmable (see driver below)  
 Brushed Aluminum (CM-006)  
 linear canopy included  
 Canopy dimensions: 20.6" x 4", 1.3"  
 Wood canopy covers are available:  
 Walnut (CM-001) cover:  
 part # 60-130-005W  
 Dark stained walnut (CM-002) cover:  
 part # 60-130-005D  
 See website for more canopy information  
 72" drop length, field adjustable  
 Suitable for a sloped ceiling  
 Wood grain will vary  
 Specifications subject to change  
 Patent pending
