PIET BOON

This classic lamp may look deceptively simple, but don't let it fool you! Designed by Piet Boon, the Boon is oversized: it's almost one meter wide, versatile and charismatic in form and function.

Detailing

The Boon has a shiny metal frame and a clean circle shade that is upholstered in cotton.

Dimmer

For fluent dimming behaviour we advise a dimmer that is compatible with the following specs.

DIMMER TYPE

Mains dimmable with compatible light source

Please note the functioning of the dimmer and the power supply combination can never be predicted, it always needs to be tested in practice.
