AMBIT WALL LAMP – US VERSION

TAF STUDIO ON THE DESIGN "What defines our attraction to shapes? With the Ambit Wall Lamp, we wanted to create a flexible light that explored form and proportions in a meticulous way. We discovered a unique dynamic between linear and rounded shapes that gives the lamp its unique outline, making the Ambit Wall Lamp a timeless design. With its adjustable arm and turnable head, the Ambit Wall Lamp has a functional character, joined by its clean expression with no visible screws and handspun aluminum material for an elegant touch."

ABOUT THE DESIGNER
TAF Studio is a Stockholm-based design and architecture studio, founded by Gabriella Gustafson and Mattias Ståhlbom. The duo works within product and interior design.

CATEGORY
Wall lamp

ENVIRONMENT
Indoor

DESCRIPTION
A wall lamp with a quiet, modern expression. Alter the expression of the Ambit Wall Lamp to your personal need through its rotating arm and head, bringing a refined light to any bedroom, kitchen or hallway.

The Ambit Wall Lamp is mounted to a wall using a separate wall bracket part that the swing arm is snapped into, meaning that the lamp has a clean expression without visible screws. An extra wall mount piece is included which allows for the wiring to be integrated into the wall.

MATERIAL
Lampshade, arm fixture and wall bracket pieces are made from aluminum and the cord is made from PVC.

CORD LENGTH
250 cm / 98.4"

BULB INCLUDED
No

DIMMABLE FUNCTION
No

CLEANING AND CARE
Clean the lamp with a soft dry cloth. Always switch off the electricity before cleaning.

INSTALLATION
The power cord of the Ambit Wall Lamp can be routed backwards from the lamp through the mounting surface. Please note that the base of the lamp is smaller than a standard junction box and that the lamp is not designed for direct installation on the top of the junction box. When hardwiring, we recommend mounting onto a false wall, onto a headboard or using a trim plate. Please refer to local safety requirements for this type of installation.

AMBIT WALL LAMP – US VERSION
