MASTERS COLLECTION

ATELIER LE CORBUSIER

Lampe de Marseille

Le Corbusier

Pablo Picasso

Le Corbusier

“Our eyes are made to see forms in light; light and shade reveal these forms; cubes, cones, spheres, cylinders or pyramids are the great primary forms which light reveals to advantage; the image of these is distinct and tangible within us without ambiguity. It is for this reason that these are beautiful forms, the most beautiful forms”.

Le Corbusier
