

TROVE PENDANT

ITEM NO. PEN-TRV	DESIGNER JEREMY PYLES	DATE 2014	SERIES CRYSTALLINE
------------------	-----------------------	-----------	--------------------

The Niche Trove pendant takes its inspiration from the idea of a treasure chest and all the magical gems which might be found inside. The Trove is part of the Crystalline Collection which embraces playful, fresh colors and bold defined angles but never strays far from Niche's core, signature design principles of simplicity and elegance in modern lighting. Try a grouping of 3 or more for maximum impact. Each Trove pendant is blown by hand with love in New York.
