

## TURRET PENDANT

ITEM NO. PEN-TUR	DESIGNER JEREMY PYLES	DATE 2006	SERIES SILICA
---------------------	--------------------------	--------------	------------------

The Turret pendant is the taller and more slender counterpart to Niche's Minaret pendant. The refined beauty of the Turret's dramatic design was inspired by the iconic towers that adorn Moorish architecture. Each piece is hand blown and then carefully finished with a perfect tear drop point. The Turret pendant is handmade in New York with great care.
