THE STORY OF

# APIALES

With inspiration from flowers, Sofie Refer has designed the new chandelier collection, Apiales. The collection consists of two chandeliers with 9 or 18 mouth-blown glass globes and are available in golden Brushed Brass finish or the smooth Satin Black. From a specially-produced canopy, the arms unfold like flower stalks from which light is spread with grace. Suitable for residential homes, restaurants and hotels.

*"Light affects me in a positive way. It boosts the energy and creates atmosphere in a room.*

*For me, a chandelier is the ideal form of lighting" - Sofie Refer*
