

OLO always originates from a circle or a line. Using the basic elements to create the picture of a light, Designer White challenges our every imagination by series that is designed to be limitless in possibilities.

Circular suspension conveys the nostalgic expression traced back to round table, which symbolizes "reunion" in traditional Chinese dining. Rotatable lamp shade embedded in cutting-edge design of hollow circles with glare-free LED lighting, the CRI 90 softened light can impressively create practical as well as ambient light. Occasionally light distribution is allowed due to rotatable structure of each shade. Upside or downward, let your imagination run loose and allow the fun to begin.
