## Drape Circle 18

CHANDELIER

— 044" / 1130mm —

The Drape Circle 18 chandelier consists of 18 individual pendants gathered and supported by a series of 3 brass rings. Each pendant features a 4.5"/110mm diameter sphere of handblown glass suspended on a fabric-wrapped electrical cord. The cords pass through the rings and support the rings. The glass diffusers feature the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each unique. Cord lengths are field adjustable. Multiple compositions possible - drawing+dimension above represent only one recommended possibility.

UL Listed (US&Canada) for dry and damp locations

Sockets 120v G9 7W Max

LED bulbs included

Does not accommodate sloped ceilings

Requires recessed electrical box for installation

Field assembly + composition during installation is standard - field adjustable - see installation instructions - SkLO will pre-assemble + compose fixture to specification on request (pre-assembled fixtures not field adjustable)

Standard cord length 120"/3050mm - field adjustable - longer lengths available at additional cost

Fixture weight: 90lbs/41kg

All glass dimensions are approximate - handblown glass dimensions vary by nature and intent

Made in the Czech Republic
