

Aerial 60 Chandelier LED

DESCRIPTION

This Aerial chandelier by Tech Lighting features arched rods mounted on different planes to support a ring of slim cylindrical heads. The heads create up and down illumination while concealing the integrated LED light sources. The unique profile is highlighted with two finish options, aged brass and matte black and hangs a maximum 60" with the included adjustable stems. A great piece to coordinate with the larger scaled Aerial chandeliers in your open living space, dining area and foyer. Lamping options are compatible with most dimmers. Refer to the Dimming Chart for more information. Includes 120 volt 40.6 watts, 2625 total delivered lumens, 3000K LED modules. Dimmable with most LED compatible ELV and TRIAC dimmers. Ships with (4) 12" and (2) 6" rigid stems in coordinating finish. Can be installed on a sloped ceiling up to 45°.
