black

UMAGE

MANTA RAY

Designed by Anders Klem

The Manta Ray lampshade has a distinct shape that expands outwards. Crafted with great attention to detail, the bottom of the lampshade uncovers an enchanting brass pattern, creating a playful illumination. Made from powder-coated steel, the lampshade will cast light downwards, while its opal glass center will ensure light upwards as well.

The Manta Ray lampshade complements the UMAGE Santé table lighting stand, creating a lamp perfect for the windowsill or cabinet top. Though, the flexibility of the lampshade makes it possible for you to match it with all lighting accessories from our collection.

Available in white and black, the Manta Ray lampshade will, with its captivating shape, transform any room into an enchanting sanctuary and inspire your imagination.
